ARCHAEOLOGICAL SERVICES INC. (1983-present)

I founded Archaeological Services Inc., a cultural resource management firm, in 1980 and have since directed over one thousand archaeological surveys, excavations, and comprehensive heritage resource assessments on lands throughout the Province of Ontario and the States of New York and Michigan with sites of all major cultural and temporal periods. As President and Chief Archaeologist of the firm, I manage a full-time staff of thirty-three individuals and additional seasonal staff in two sections (Archaeology and Built Heritage, Cultural Landscapes and Planning) from ASI's head office in Toronto. I manage an annual operations and research budget of approximately \$2,500,000.00.
